

Alumni Meet 2019

Alumni Dinner for BBA and BCA was on 19th Jan 2019, Saturday at Junkyard Café, Connaught Place, 5pm to 7 pm. This year BBA and BCA batches from 2010 to 2016 were called in alumni meet.

The students came and relived their memories of college and interacted with their faculty members. All the faculty members of BBA and BCA from IPU department were present at the event. Students shared their working experiences and enjoyed the evening. Many students also promised to participate in "JIMS Alumni Interaction Series" which is a monthly session with students of JIMS.

An Introduction to Online Learning Courses - pre placement activity

It is very important for the students nowadays to keep themselves updated about the latest technologies and systems in order to get good placements. Apart from their regular curriculum they also need to develop additional skills which can now be done by means of doing some online courses being offered by various platforms.

Keeping this into consideration JIMS Rohini, Sec -5, organized a guest lecture for the students of first year on 6th and 12th February, 2019 that was delivered by our very own Mrs. Priyanka Gandhi. She introduced the students to the world of online learning and explained its importance to them. She explained them about the various certification courses that can be done by students to enhance their skills and increase their employability. The students were motivated to enroll themselves for such courses and become more skilled.

The session was further concluded by a Q&A session and certainly helped the students in becoming aware about the various online courses and discovering new frontiers of knowledge.

COMPETENCY MAPPING AND VERBAL REASONING - Pre-placement Activity

Jagan Institute of Management Studies, Sector 5, Rohini, Delhi organized a pre-placement activity on Tuesday, 5th February, 2019 in its premises on the topic "Competency mapping and Verbal Reasoning".

The event was planned and organized with the purpose of preparing the students for any kind of interviews that are to come along their way be it for internships, jobs or for higher studies.

The resource person was our very own Ms. Harpreet Rakhra. She guided the students by introducing them to the aptitude tests and its divisions. She helped the students to understand the importance of language proficiency by performing some fun activities with the students. Different ways in which the students can enrich their vocabulary were suggested by ma'am and also some common mistakes were pointed out that usually students commit. Students after the session got a clearer picture and understanding on how fluency in English language helps in interviews. The event was further concluded by question answer session where ma'am cleared all the doubts that the students had. This helped them in boosting the confidence for sure.
