Mr. Suneel Keswani, a motivator and corporate trainer, conducted a workshop on time management. He shared his personal experiences and insights on effectively managing time. Workshop included practical tips and strategies for prioritizing tasks, setting goals, and balancing responsibilities. He aimed to help students develop strong time management skills, essential for navigating their academic and personal lives.

MOTIVATIONAL SESSION BY SIMERJEET SINGH

Unlocking Your Hidden Potential

"Diamonds are always in your backyard"

– Simerjeet Singh

Simerjeet Singh, a renowned motivational speaker addressed the new JIMS Rohini batch of 2024-26 on July 2, 2024. He urged students to recognize and utilize the diamonds, resources around them, such as faculty expertise, a robust curriculum and strong industry connections.

He highlighted the booming Indian economy as a significant opportunity for young graduates. He encouraged students to engage actively with their professors view them as mentors and leverage the curriculum to prepare for real-world challenges.

He emphasized that success often begins with recognizing and utilizing overlooked resources and opportunities in their immediate environment

In addition, he addressed mental health and it's crucial role in achieving success. He advocated for maintaining a healthy work-life balance, practicing mindfulness, and seeking support when needed.

WORKSHOP ON FINANCE – BY FINANCE CLUB

FINANCIAL FREEDOM

JIMS hosted an insightful financial literacy session on July 30th at the college auditorium, organized by INVESTO FIN (Finance club). Distinguished speakers from IEFPA, NCAER, and the Ministry of Finance shared their expertise. The event focused on empowering students with essential financial knowledge, covering topics such as:

1. Power of Compounding
2. Risk Mitigation
3. Financial Planning
4. Market Trends
5. Benefits of Early Investment

Speakers offered practical advice on managing funds and starting investments at the college level, emphasizing the importance of financial literacy in making informed decisions.

Our guest speakers also shed light on recent market trends, highlighting the severe corrections that led to a financial "bloodbath" for many. They emphasized how individuals lacking financial literacy often suffered significant losses, primarily because they were not in control of their financial decisions. Many of these decisions were driven by emotions rather than sound, informed judgment—a mistake that could have been avoided with a solid foundation in financial education.

The speakers also offered practical advice on early investment strategies, encouraging students to explore various avenues such as stocks and index funds. They underscored the importance of starting early, explaining how even small investments can yield substantial returns over time when managed wisely. This session provided invaluable insights into making informed, rational financial decisions and underscored the vital role that financial literacy plays in achieving long-term financial success.

ART CORNER

ARTIST SPOTLIGHT

This month's featured artwork is a captivating painting by Geet Kaur, a talented student from our PGDM Section C, Batch 2024-26. Her work is a vibrant testament to her creative vision and technical mastery. Off the canvas, Geet's smile radiates like sunshine, and when she is creating art, she effortlessly articulates her vision through the colors on the canvas.

INSPIRATION

The artwork explores themes of perseverance and tranquility, inviting viewers to reflect on the interplay of color, form, and meaning. The artist aimed to capture the serene beauty and symbolism of koi fish, which represent perseverance and strength. This painting depicts koi swimming in a tranquil pond, surrounded by rocks and lily pads, and reflects harmony and peace in nature. Through this artwork, the artist seeks to remind others of the calm and strength that can be drawn from nature's quiet moments.
