"How To Rock Your Life For The Corporate World "

8th January, 2024

Mr. Sahil Nayar, a Senior Associate Director at KPMG India, shared valuable insights on how to succeed in the corporate world.

He emphasized that effective communication goes beyond just using PowerPoint slides. Instead, it's about conveying your message in a way that truly impacts others.

Mr. Nayar stressed the importance of having a concise elevator pitch, which can leave a lasting impression in the corporate world.

He also highlighted that genuine respect is shown through actions, not just formalities. Small gestures can make a big difference.

In today's corporate environment, having unique technical skills is essential to make meaningful contributions and stay relevant.

Overall, Mr. Nayar's session provided valuable guidance to aspiring professionals, shedding light on the complexities of the corporate world and offering practical advice on how to navigate and succeed in it.

REPUBLIC DAY

24th January, 2024

Republic Day at JIMS Rohini is a vibrant cultural explosion, transforming the campus into a kaleidoscope of colours and traditions. Students, faculty, and staff become proud ambassadors of their heritage, adorned in woven sarees, embroidered kurtas, and vibrant headgear. The air pulsates with the beat of dhol drums and regional folk music, creating mini-cultural hubs across the campus.

The Ethnicity Parade steals the show, with students waving state flags in a visual feast of diverse cultures. Beyond spectacle, it fosters connections, as students share stories, traditions, and culinary delights, bridging geographical boundaries. Panel discussions tackle the challenges of preserving cultural heritage in a globalizing world, engaging scholars, activists, and policymakers.

As the day concludes, patriotic songs resonate, emphasizing unity in India's diverse tapestry. The grand finale, a cultural extravaganza, transcends language, region, and religion, highlighting human universality. Republic Day at JIMS Rohini embodies constitutional values of equality, liberty, and fraternity. It's a living example of "Ek Bharat, Shreshtha Bharat" – One India, Great India, showcasing strength in diversity and unity amidst differences.

DEBATE COMPETITION

27th January, 2024

The college debate competition proved to be an enriching experience, offering valuable insights into effective communication and critical thinking. Participants honed their research skills, delving deep into topics, and presenting well-reasoned arguments. The event fostered the art of persuasion, encouraging participants to articulate their viewpoints persuasively and respond adeptly to counterarguments. Moreover, the competition emphasized the importance of respectful discourse and active listening, promoting a culture of open-mindedness. Participants gained a heightened awareness of diverse perspectives and the ability to constructively engage with opposing views. The event's structured format provided a platform for participants to enhance their public speaking abilities and develop a compelling presence. In essence, the debate competition proved to be an educational forum that not only refined participants' oratory skills but also cultivated a broader understanding of the power of dialogue in shaping informed opinions.

Emerging Trends Of Supply Chain Management

29th January, 2024

The Covid-19 pandemic highlighted how supply chains in healthcare impact the world, and to find a balance between saving money and ensuring the supplies. India's healthcare sector is growing and has the potential to become a major player globally if it manages its supplies effectively. During crises like Covid-19, there's a huge demand for medical equipment, so India need smart strategies to handle it. Techniques like keeping track of our inventory and using digital tools help us work more efficiently. As technology advances, supply chains will also change.

The session's story reminded us that planning ahead and being flexible are crucial to keeping our supply chains strong, especially during tough times.

STUDENT'S CORNER

ये जो चंद आंकड़े है ना, वो नहीं बता सकते दशा उनकी, जिनका सफर पैदा होने के लिए भी गिद्धों से भरा है,

धर्मों में इनके दस हाथ बताए गए हैं, जिन दो कंधों पर बोझ पूरी दुनिया का धरा है,

मैंने कल ही जला फेंकी है वो सारी कविताएँ, जिनमे बताया गया है कि नाजुक है महिलाएँ,

मैंने देखा है अपनी माँ को बिना आराम काम करते हुए, वो सब झूठे है जो कहते है पत्थरों में भगवान है, मैंने देखा है भगवान को अपनी परवाह करते हुए

मैंने सवा सौ करोड़ को पालने वाली माता जानकी को देखा है, मैंने निस्वार्थ दुलार-प्यार करने वाली अपनी माँ को देखा है ।

ज़िन्दगी अभी बाकी है

रूठ ना जाना मुझसे ज़िन्दगी,
अभी तुझे सब बताना बाकी है।
कुछ सपने पूरे करने है,
कुछ गलतियां करना बाकी है।।

डोर मत तोड़ना अभी ज़िन्दगी,
कुछ रिश्ते निभाना बाकी है।
थोड़ा वक्त चुराकर तुझसे ज़िन्दगी,
अभी उड़ान भरना बाकी है।।

अपनों से दूर ना करना ज़िन्दगी,
अभी उन्हें अपना कहना बाकी है।
तुझसे मोहब्बत करके ज़िन्दगी,
खुद से इश्क करना अभी बाकी है।।

दर्द मत देना अब मुझे ज़िन्दगी,
अभी पुरानी चोट भरना बाकी है।
दिल को संभालना है अभी,
और कुछ फर्ज निभाना बाकी है।।

रफ़्तार अपनी तू थोड़ी धीमी कर दे ज़िन्दगी,
तुझे समझना अभी बाकी है।
तेरा होना अभी बाकी है,
और तुझे जीना अभी बाकी है।।

तू थोड़ा सब्र कर ले ज़िन्दगी,
तुझे अपना हौसला दिखाना बाकी है।
हर पल को अब हसीन बनाना है,
क्योंकि ज़िन्दगी अभी बाकी है।।
